**RE: CORPORATE STAFFING SERVICES**

We are writing to recommend the services of the Corporate Staffing Services. They have recruited for us both Middle level and Top Management positions proving to be a professional HR firm. They have been able to meet the tight deadlines of our Sacco and have constantly provided diverse candidates as per our company policy.

We especially rely on their effective and quick response to our requests on background checks. As a busy financial institution they have helped us ease the process of recruitment in terms of understanding the needs of our Sacco and linking us with the right employees.

We highly recommend Corporate Staffing as a HR partner and look forward to many more years with them.

**Yours sincerely,**
